So sorry for your loss. I have such lovely memories of Ms. Bedigian from St.Margaret's . She was always so kind and had so much enthusiasm for all of our projects. I have made some that I remember with my own children. I can not look glue without thinking "Just a dot, not a lot." She was a really wonderful teacher. You are in my thoughts and prayers.Katie Tindall

Hello to Cheryl's family. I am Sue Cerrone, the music teacher from SMS 1992-2013. I worked with Cheryl for many years & I want to express my deepest sympathy to all of you. Cheryl was such a lovely, devout, caring, sweet & gentle person. She was a special angel in SMS faculty. Our last few years, our classrooms were next to each other & we had some laughs about the music class being too LOUD - next to the art class !! Cheryl's lovely artwork enhanced the stage for our concerts. But her true creations were the various themed background circles she created for our stage backdrops !!! They were special- always with such adorable childlike characters. I know that she spent alot of time & work creating them & I appreciate what she did. I do remember having Joseph & Mariella in class when they were in SMS, & I want to extend my sympathy to them. I know how special Grandmas are in our hearts. She spoke of all her family, with pride & happiness. I know that you will miss her, as I will. I loved seeing her in Wegmans & she was so good at that job !!!! Most of all, I feel happiness for Cheryl, because she is definitely in HEAVEN.

Dear Shawn, Mark and Family, Brien, Jim, and myself are deeply saddened to heard the passing of your mother! She was amazing woman who will be missed! She had incredible faith, love and so much more for her family and for so many people! I will treasure so many memories that we had when all of us were younger. And remembering her driving up the street either waving or stopping to say hi and seeing how we are! Knowing now that your parents and our parents are together again! Much love to you all!

We are very heartbroken to hear of Cheryl's passing. We loved her so much and always enjoyed our prayer time with her on the nights we had prayer group. She was so devoted to praying Divine Mercy and spreading that devotion to all she came in contact with. She was a champion for Our Lord and Our Lady. She was our prayer warrior and we knew we could always count on her for our prayer intentions.
