Dear Olga and Diana, I'm so so.sorry for your loss. I just love you all. I have such fantastic memories of Mike and Olga as they lived right next door to me. I loved visiting them and most likely drove them crazy. Their garden was huge and I remember he always made wine. In fact he gave me a grape crate once and I still have it. You were the best neighbors and I wish that we stayed that way. May Mike RIP and he'll forever be in my heart. God Bless you both. I love you Colleen Williams 🙏❤️
