Edward C. Koolakian

JUN 18, 1948 - APR 7, 2020

Edward C. Koolakian, 71, of Liverpool, passed away Tuesday, April 7, 2020, at Upstate University Hospital. Ed passed away unexpectedly after heroically fighting complications from Chronic Lymphocytic Leukemia for several months. Ed was a native of the Syracuse area, born to the late Edward G. and Genevieve (Mento) Koolakian. He was born and raised in Dewitt attending Jamesville Dewitt High School. He later attended Onondaga Community College, Brockport University and then served in the Air National Guard.

Ed is survived by his beloved wife of 40 years, Cynthia (Houck) Koolakian; his daughter, Tiffany Koolakian (Scott Zewe) of Boston, MA; son, Todd Koolakian (Mark Heller) of Sacramento, CA; sister, Dianne Koolakian (Frank Niles) of Manlius, NY; nephew, Damon Niles, and many other loving family members.

Ed was a true family man and deeply cherished his time with his loving wife and children. He also adored his time at family gatherings small and large with his close-knit extended Italian and Armenian families. Whether it was pool time in the backyard, trips to Cape Cod or family gatherings, Ed loved the time he spent with his family.

Ed was a third-generation custom tailor and clothier and was the longtime owner and president of Koolakian's Menswear in historic downtown Syracuse. He joined the family business at age 22 and operated Koolakian's for nearly fifty years. Ed Koolakian fitted suits for some of Central New York's most accomplished men. His shop has been an anchor in Hanover Square for over a century. For Ed, operating Koolakian's was his life's calling, and a love and passion, only outmatched by his love for his family and friends. He was an icon in the downtown Syracuse business community and a staple in historic Hanover Square where you could often catch him out front of his beloved store or visiting with neighbors and other business owners.

Ed also loved giving back and had a prolific interest in the betterment of the CNY region. He served on the Liverpool Board of Education for eight years, was a longtime member of the Kiwanis Club of Syracuse, having served as its President from 1983-1984, was President of the Hanover Square Association, Board member and President of the North Area YMCA of Central New York, a Board member of the Children's Consortium and was appointed to serve on the Downtown Committee Board of Directors by several Syracuse mayors.

Outside of his passion for his business and the Downtown Syracuse community, Ed was very active spending nearly every winter weekend teaching skiing on the slopes of Toggenburg with life-long ski school friends and spending many summers on Cape Cod with his wife and two children. Ed also deeply appreciated the wonderful conversations and great friendships he made at his cherished "Coffee Club" where he spent nearly every morning before heading to work.

Services will be private, and he will be laid to rest at St. Mary's Mausoleum, Dewitt. A Celebration of Life Memorial for Ed will be scheduled at a later date.

Contributions may be made in Ed's memory to the Leukemia & Lymphoma Society of Western and Central New York, 4043 Maple Road, Suite 105, Amherst, NY 14226 or the Francis House, 108 Michaels Ave, Syracuse, NY 13208.

Dear Cindy, Todd and Tiffany, I was very sorry to hear of Ed's passing. I always enjoyed our all-too-few conversations and appreciated his frank, straight-forward observations of the people and world around him. He had an effortlessly wry sense of humor that made me laugh and feel better about things. In these unsettling times, the passing of such a reassuring, rock-solid personality is a terrible loss. Ed leaves a gaping hole in the Syracuse business community. We traded stories of working in old-fashioned family businesses downtown... he was a refreshing personality that believed that there were more important things to care about in your neighborhood than just making a profit. We loved his competitive spirit in the Hanover Squares events!

Over the years Ed became a dear friend and my wife and I looked forward to our excursions to add to my wardrobe because we knew Ed would make sure the fit was perfect. We will miss our dear, dear friend who made us feel like we were part of his family. We were astounded when he knew us by name no matter when we saw him. Our deep condolences to all the family. I was just about to call him to let him know that a mutual good friend, Michael Huonder, had passed away when I saw the tribute to Ed posted on the evening CBS News. I was introduced to Ed by Mike. I spent most of my life in a wheelchair and needed custom suits, sport coats, and dress shirts since I could not buy most clothes off the rack. He took great care in making me "look good". Shocked and saddened to read of Ed's passing. He was an ICON in clothing and always had a friendly greeting. He made it easy at Christmas-Birthdays because my Dad would get a gift certificate or two and visit Koolakians for his business clothing. Years later I accepted a job in downtown Syracuse and it was right off to see Ed to make sure I continued to follow in my Father's footsteps. More recently my oldest son transferred to Syracuse and I sent him to see Ed with a gift certificate in hand..Three generations of my family were treated like kings by Ed and often I would just stop in to say hello. What a wonderful man and one of the sharpest dressers in CNY. RIP my friend and your memory will live on..

Eddie and I grew up together on Kittell Road in Fayetteville. So many stories of two young lads experiencing life from Cub Scouts at Mrs. Johnson's house to riding our bikes to Jackson's Store and buying milk for our moms and buying penny candy as a reward. Eddie liked the pinwheels, the flavor sticks. Then "Jackie Paper" came no more, and only once in a while did we run into each other and have a laugh over "remember when?" Eddie, I will always cherish the memories you and I made and the "trouble" we got in to as young lads growing up. Rest in Peace my old friend, Rest in Peace. Richard (Ricky) Isaacs Liverpool
