I remember spending time with Amy(Crump) and Rick Crump (First Husband) when they lived in candle light lane in Clay on Morgan Rd. One of the best forms of laughter would come from my friend... in times of needing a friend she was always there , she was an open minded person who with out a doubt would make you feel better just being in her presence. When she stepped in a room with out saying a word you knew Amy was there. Instant attraction to her personality .. Rest In Peace ... I love you and one day We will See Each other Again..... phatburgerz2010@gmail.com
