Ann was a very special lady. I have no doubt that she and Brad are having quite a party together. I remember her making dinner for the family and how she got a big kick out of the "attention" the dog was giving to me. She and Brad both were very sweet and always welcoming to a laughter-filled home. Rest peacefully Ann.

Sorry for your loss,I remember Anne from my first day of work at the Bus Garage in 1995, she was one of the first to welcome me, she was always there to help drivers always with her beautiful smile. She loved to share stories of her husband Brad and children. Over our years working together, Anne loved to and was always making gifts for people at work. I still enjoy the quilt she made me for me. Anne has been missed at the Bus Garage, her smile always lit up our break room. Rest In Peace Anne, Fly High with the Angels, You are MissedVal Strong

I went all the way thru school with Anne--from Porter School to Central High Sch. She is the only one of my classmates that I did that with--I remember her beautiful singing voice-I think she sang at our graduation from Central- I also recall she was the youngest child of her family-I remember their home on Erie St.-When we attended Porter, there were about 5 of us, in our grade , that were the "top students" of our class! Such fond memories-- To her family-sorry for your loss--treasure the memories of a great lady.Joan Myers Green
