Chuck O'Brien of Oakridge Terrace I'm sorry to hear of Dennis passing. I wished we could have got together after all the years we spent when we were younger. As things happen we lost touch. I'll also remember the good times I had with him.

I did not know Dennis, but I was a classmate of his brother Rudy. If Dennis had the sense of dry humor that Rudy has, then he's probably keeping Heaven laughing. My condolences to all his family and friends. The loss you feel is the result of how much he added to your lives. Please find solace in that thought.

Crystal and boys, I just saw this today and I am so sorry I didn't attend. Dennis was one of my buds, we worked together @ Excelsior & Syracuse Savings, bowled, played golf, drank beers and just had great times. I posted some pics from one of our excursions - a Yankee game. It was a great memory, including Mike. My deepest Sympathies to your family. Dennis will always be in my thoughts and prayers.

I knew Dennis and his best bud Mike at Potsdam, from living in the same dorm. I was sorry to see this and learn of his passing, but can see what a loving life he led. He was a shy, sweet and funny friend. My condolences to his family.

I don't know where to begin. I have known Dennis since high school. He was best man at my wedding to Mike. Dennis and Mike were best friends since elementary school at St. Margaret's. They even went to Potsdam together. They were inseparable. Dennis was so kind and always made me laugh. He is now in heaven with Mike inseparable again.
