Kriss, you were my brother man! You made me smile when I walked in the room, I enjoyed your wit, humor, and sensitive side. We are a lot alike I seen that from the 1st day we met. I don't know how to handle this, never did. I'll end this by saying I love you brother and it won't be the same here without you! RIP.

Uncle Kriss, You were one of a kind! Thanks for always being a nice, hilarious, and warm hearted person. Every memory I have of you is a pleasant one. I'm gonna miss seeing you around. You knew me my whole life and always made me feel like the best nephew anytime I came around. This world will feel a little more lonely without you in it. But, the pain and suffering is over with and Heaven has another wonderful angel in it. I know my Mom welcomed you up there with open arms. Rest peacefully, Uncle Kriss, and I know I'll see you again one day. Love, Corman
