I will never forget Deb's positive outlook on life and uplifting personality even during her hardest times of life. I will always cherish our visits and remember the smile on her face and how it lit up like a kid in a candy store when she said to me, " Leslye! I have legs again!" when the swelling had gone down. And one of her last visits here dressing incognito from the paparazzi haha! Those are the memories I will keep close to my heart of her. To Jim and family, my deepest sympathy to you all. Heaven has gained the most beautiful woman and we now have the most beautiful angel watching over us.

As the youngest of Debs' uncles i can so vividly and fondly recall when she was born. I was just 6 at the time and spent many weekends enjoying so many things she did for the first in life time while at our home. She spent a lot of time there being the first grandchild. I had the honor of seeing most of her important events in life. And she always made me proud of how she handled her life and everything that it brought. With class and dignity far beyond her years. To Jim, Ashley, and Jimmy your loss is immeasurable but remember i'm always there if you need any thing. Deb as you look down on us from heaven know that you will always rest peacefully in my heart as that beautiful blue eyed, blonde haired niece i was blessed to have in my life. Rest easy Kid, you deserve it, although all to soon!!! Love Uncle Rick
