Bob saved my life. He hired me at Yost EAP and gave my Social Work career a breath of fresh air. He was my mentor, my boss, one of my greatest teachers and supporters. Everything I enjoy now at this point in my career is due to him. He introduced me to Bill Yost. Bob's brilliance and sense of humor were unmatched in my opinion. I pray for him, his wife Sue, daughter, son-in-law and grandsons. I thank you Bob Brown for coming into my life. May God bless you.

So sad to hear about Bob. I worked with him while I was at Carrier in the 90s. He was a genuine gentleman with a big heart and gracious demeanor. He was respected in his field and got along with everyone. I am sorry that we did not keep in touch when I moved away. That is something I will always regret! Rest In Peace. Joe and Andrea Monkofsky.
