I don't think I can share just one memory. We made so many over the course of the years. I'm so angry at how things work and why the ones we love have to leave us. I just hope you and Brandan are there waiting for me when it's my time. Hurts even more that I have to come to your funeral on my birthday. We were supposed to get a couple drinks and talk. I'll always have another ache in my heart for you. Heaven is having one hell of a party right now. Love you bud. Xoxoxoxo Love always L.B.
