Benjamin S. "Benny" Angona

AUG 24, 1955 - DEC 25, 2020

Benjamin S. "Benny" Angona, 65, passed away on December 25th, 2020 at Crown Park Rehabilitation and Nursing Center in Cortland NY. Benny was born in Syracuse, son of the late Donald and Dorothy (Braun) Angona. He was devoted to his career with the Syracuse Fire Department, where he spent 27 years of service and was awarded the Medal of Valor in 1989. Benny had a fearless heart, and every day put the lives and needs of so many others before his own. Benny enjoyed music and relaxing in good company at the family camp, where he was able to put his hard-working bones at ease. Benny was a husband of 36 years, father of four, and life-long friend of many. He spent his final years surrounded by those closest to his heart, and in the care and compassion of the staff at Crown Park Center's 3 South. After many years of strength and perseverance-- he is now at peace, healed, and happy among so many who loved him throughout his life.

Besides his parents, Benny was also predeceased by six siblings.

He is survived by his loving wife, Susan (Cimilluca) Angona; four daughters, Lorraine (Ethan) Hart, Allison, Natalie (Thomas) Maloney, and Nicola; his sister, Donna Carnrite; along with several nieces, nephews and cousins.

Funeral Services will be private for immediate family and Benny will be laid to rest in Assumption Cemetery in Syracuse.

Contributions in his memory may be made to the Clark Burn Treatment Center of Upstate University Hospital, Surgical Specialties Suite Room #222, 750 East Adams Street, Syracuse, NY 13210.

The last time I saw Benny was a casual encounter decades ago, in a grocery store. He was excited because of a boxing match he ordered on cable. I remarked "it ought to be a hell of a fight." "Come on over!" he said. I barely new Benny. New on the job, we had worked together a couple of times. To this day I've always remembered the sincere generosity in that conversation. It made an impression on me that is permeant. That kind of man is an example for all of us

I worked with Benny from time to time on the SFD and the smiling picture in his obituary fits perfectly because he seemed to always be in a good mood and a lot of fun to be around. Great sense of humor and lots of good memories. RIP Benny!

Robin Stark (Formerly Robin Wensel) lit a candle in honor of Benjamin.

As the nurse manager of the Clark Burn Center from 1999 through 2006, I had the pleasure to meet Benny and do some important fund raising for the burn unit and also the American Heart Association (AHA). Together we were one of the top fundraisers for the AHA in honor of your daughter who had open heart surgery. I had the pleasure to get to know Benny and listen to many of his stories about working as a firefighter for the city of Syracuse. Many tearful conversations were had about some of his heroic deeds and some of the trauma he experienced. He was so proud to be a firefighter. Sending my deepest sympathies and condolences to all of his family. Prayers for your comfort and peace during this difficult time.
