This was shocking, but more for all of Jimmys family, friends and coworkers. I grew up and spent Summers in the neighborhood with Jimmy & Paul. You are all in my thoughts and prayers.

Danielle, other than the wedding, my only memory is the dance contest that Jim Cheryl Brian and I entered at some nightclub in Syracuse - we won 2nd place! I know that is probably not something you could see your father doing. But he did. My condolences to you and all of Jim's family. Linda Hurley

I am still in disbelief and cannot get the words out of anything I want to say. Our family lost another great and wonderful person in one month. Both so tragic one expected and you not expected at all. My heart goes out to everyone in the family, so sorry, so many regrets Uncle Jimmy will always carry a special spot in my heart. Growing-up i hold such fond memories of you. Out-of-the many what I will miss the most is your thoughtfulness. The warmth of your smile, and your little Snicker of a chuckle when you laughed. For being more like a big brother then an uncle. I was so blessed to have had you in my life. Your niece Paula
