Mary Lou Farchione

AUG 17, 1933 - JAN 10, 2021

Mary Louise (Piedmonte) Farchione, 87, died peacefully Sunday of natural causes, and her daughters were blessed to spend time with her before her passing. After graduating from Solvay High School, she became an executive secretary at Carrier Corporation, where she organized many events and fundraisers. She often talked about skating on the ice of the War Memorial as a snowman during Toys for Tots or convincing her colleagues to participate in a skit she coordinated. She was an active bowler and a fierce competitor. She met the love of her life, Fred, after a setup at the Farchione cottage on Skaneateles Lake. Mary Lou loved to sing and was a proud member of the Bernie Schmidt Singers. She also loved to travel with her close friends and family, especially for dental meetings or annual summer vacations. This included many trips to visit her brother and family in Tennessee. She also loved to throw a great party and entertain, including the times she hosted with her bridge group. They would often talk more than play bridge. As a devout catholic, Mary Lou attended mass daily and was a member of the neighborhood rosary group. Her prayer list was long, but no one was ever forgotten. Her four daughters were extremely important to her, and she often referred to them as “The Girls” on the annual Christmas cards she never missed for 40 years. When you think of an amazing mother, she was all of those things; kind, caring, and loving. She loved to laugh and found humor all around her. She was generous with her time as a volunteer and always willing to do anything for others.

She was predeceased by her husband, Alfred, her parents, and her brothers, Leonard, and Robert.

She is survived by her daughters, Amy Sgromo, Mary Beth Sizing (Bryan), Carolyn Duca (John), and Laurie Holtsbery (Chuck); 11 grandchildren; her sister-in-law, Patricia; cousins, and many nieces and nephews.

Dear girls...this is Ellie Pagano. I'm saddened by the loss of your dear mom, having met her in 1962 in the Bernie Schmidt Singers. I remember singing for your parents wedding. I've missed talking to her the last couple of years. She was like the energizer bunny, with all she did for family and friends...especially around the holidays. She could never say "no" to doing something special for someone. Her annual Christmas card with a picture of "the girls" was a much anticipated greeting each year. I loved her with your dad as a wonderfully compatible couple. The parties at your beautiful house were legendary. The world has lost a very special lady and I shall miss her very much. She was fortunate to have such a beautiful and supportive family. God bless you all. Peace....Ellie

My Dear Mary Lou,s family,This is from Bernie Naselli's brother, Joseph, who years ago loved to get together with your Husband Fred and enjoy their conversation and good fellowship. I often thought of those days as the years passed and never forgot the joy of knowing the family. I am now in the twilight of my years (90) and enjoying a good life in Florida and six months of the year in the country of Mexico, where we have a home.May you now enjoy the blessings of God's eternity, where joy and peace prevail.Our sympathies to the family.
