Audrey was as beautiful inside as she was outside. She always had a smile, and something nice to say, or inquire about your family. She will be truly missed.

Tony, Mark, Martha, and family, I am so sorry for your loss. I feel blessed to have met Audrey and been able to hold her hand, give her hugs, and walk with her. The time that Tony shared the story about Audrey winning a dance competition without even knowing her partner was a beautiful reflection of the pride and love that you all have for one another. It was easy to see even in difficult times. I hope that you find peace in your memories.
