Dear, Bob, Cathe, Mary Jo and Joey, We are so so sorry about Aunt Terry's passing. I can only imagine your sadness and the void. Just know she will always be part of who you are and will always be with you even though you cannot see her. I loved your mom very much and so did Ken even though he didn't know her that long.

Aunt Terry was my last living aunt: (Aunt Terry was such a fun loving, caring and generous soul. Always ready to have a great time and travel. Ken and I will always remember having spent special visits with her in her home as well as our last visit to Syracuse. Even though she was beginning to have some health issues she was very funny, kind and sweet. She shared many pictures of she and Uncle Louis for Ken, which was awesome. Ken had heard all about the fun times on Glendale and Teall Avenue!!! Aunt Terry was always interesting and interested. She was filled with unconditional love for each of you and was eager to share wonderful stories and memories of you all. Please give each other a kiss and a hug and know you are all in my thoughts! May time heal your sadness. We shall raise a glass of champagne in her honor !! RIP sweet Aunt Terry Lots of Love, Cristina and Ken

Grandma you were always so elegant when we came to visit you'd always show me your jewelry box and proudly say you had a diamond ring for each of your girls and then you'd let me look at your Waterford and say one day one of these pieces will be yours. Then came time to make supper and I would hope that you'd ask me to get something out of the cellar. I loved going down there. I know you're feeling brand new and one more angel tonight. Stop by for a visit.
