Douglas Andrew Pierce

MAY 15, 1959 - MAY 5, 2021

Douglas Andrew Pierce passed away peacefully at home, in his sleep, on May 5, 2021. He will join his father-in-law, John Vasek, for a round of golf, and see his mom, Martha Pierce, once again. But in this world, Doug will be missed by his family, friends, and co-workers.

While at Liverpool High School, he was part of the marching band and the swim team. At Binghamton University, as an English major, he met his wife in an English class. After graduation, Doug played guitar and sometimes trombone (although that last one was mostly to scare the cats). He was an artist who also loved to write, and he wrote several manuscripts before his passing.

Remember when the newspaper arrived seven days a week, one in the morning and one in the evening? Doug sure did. He worked for 32 years as a mailroom manager for The Post-Standard in Syracuse. If you received your morning paper on time, thank Doug and his hard working crew. Doug was also a student, and an occasional instructor, at CNY Karate and Kobudo Schools. The dojo was one of his favorite places, not just for the lessons, but also for the community! He loved it there, so much, that he asked to be cremated in his best uniform. His wishes were honored. Doug was a 4th degree Black belt.

Doug enjoyed camping, the real kind, with a tent in the woods, and his family was right there with him. Doug loved to kayak, go for a run, and spend a lot of time outdoors. His favorite vacation spot was the beach.

Doug is survived by Marie Vasek, his wife of 39 years, and his two daughters, Jennifer Wardwell and Margaret Pierce. He is also survived by his father, Ross Pierce, his sister, Pat Zimmermann, and his brothers, Bruce and Ian Pierce.

In lieu of flowers, Doug would appreciate a contribution to: the Pancreatic Cancer Action Network, Hospice of CNY, or the St. Joseph's Health Foundation.

I am sorry that Doug died. I worked in the Post Standard mailroom pretty much since mid June 2016 except for a 1 month layoff in October 2021. He seemed to be a nice man even though he was considered somewhat strict but fair to mailroom employees at the same time. At least Doug is not going to have to witness mailroom operations ceasing at the Post Standard Building and being sent over to an area near Harrisburg Pennsylvania after August 13,2022.

Doug shared a love for Southwick Beach, he was the bravest man I have ever met. At work our paths often crossed, usually if there was a system problem. He took whatever issues arose in his stride, found a way to resolve the problem and was consistently a gentlemen. Thank you Doug, Kathy Rood
