George was a great man. He would fix my car, but I would love just going in and talking to him. I didn't know that he passed away until I rode by the shop and everything was gone. I'm just finding out now. Rest in peace George and I'll pray for your family for your loss

I'm just now learning of George passing away last June... He was one of the greatest people you could know. I bought cars and trucks from George over 20yrs. I'm not wealthy by any means. I can't afford new cars and high payments.. I could always go to George and he would help me. George would kid around with my late wife Heather when we went to his lot looking. She was probably glad to see him up there and thanked him for looking out for me since she's been gone.. There are few people in this world with a kind heart as big as George Mageean had.

Mr. Mageean had a giggle in his laugh that just made you smile...and even when he was trying to tell us what we did wrong he had that little giggle. I spent so many hockey weekends growing up with him telling me not to listen to the other parents they didn't know what they were talking about that my dad was the coach and even if he was crazy he was the one behind the bench, not them!!!! Haha, that giggle. You will be so missed, my heart goes out to Kelly, Matt, Toni, and your kids. I would like to think he and my dad are up there revisiting some hockey games, late-night hotel shenanigans, and Irish tales! Much love to you all at this time.

Rest in Peace dear cousin George Mageean. He was an Irishman through and through with a big heart for people. He was so proud of his family and especially his beloved grandchildren. May their many memories bring them comfort. My thoughts and prayers are with them all. I'll remember the twinkle in his eye, his chuckle and his stories. I'm sorry I didn't get to see more of him this side of heaven but I'm sure he's getting a grand welcome up there now. And as my grandfather, his uncle Richard, used to say "God be with you 'til we meet again". 🍀❤️

George has a personality that was bigger than life! He really helped out my Mom and me back in the 80's, selling us used cars that he had fixed up for us. I saw him again at St. Joe's in Cardiac Rehab, where he and the other early morning guys entertained us all with their humor. You could hear George's laugh above everyone else's! George was so proud of his kids and grandkids. He will really be missed! Cathy Donegan RN

George and my dad "Stosh" Przytula from Stosh's Auto Parts were great friends. They worked together on many automotive ventures and would always step up to help each other with various projects along the way. I'm sure they are hanging out at the great auto auction in the sky. R.I.P. George.
