Amanda B lit a candle in honor of Jessica.

Dr Summers treated my son when he had a burn accident a couple years ago. It was a traumatic time for our family, but Dr Summers was wonderful to my son and to us. She was an amazing doctor. She was everything a doctor should be. Amazing care and compassion. Her passing is a major loss for our community. My deepest condolences to her family.

I met Mrs. Summer's girls when I attended St. Joseph's. The one thing that I clearly remember was how kind they both were to me. My Mom always kept me up-to-date on everyone and clearly Jessica brought a lot of kindness into the world. Sending you both so much love.

Dr. Jessica Summers will be remember as "Jess" on the kickball field. We would say, " what's said on the field stayed on the field". She was a professional at work, but enjoyed having fun during her leisure time.

I was lucky to meet Jessica at a Steelers bar watching a game in Omaha when she worked here. We quickly became friends and she will always be in my heart - especially when the Steelers play! When Jessica was added to our lives we were the lucky ones. We were sad to see her move back east but she was only a text away. Peace to her and her family. ❤️

Those of us that have traveled with Jessica to Honduras each year will miss her skill, quick wit and uncanny hair braiding ability. She will be remembered each year as we carry on with the mission work that she so loved. Fly high, friend.
