Always enjoyed Patti at our Sunday morning breakfasts at local restaurants. She was personable, feisty, and fun. She was never afraid to state her opinion. She joined us even though she wasn't always feeling well. Sometimes she only ordered kid's portions and wasn't even able to finish that. I enjoyed sharing stories with her about our children and grandchildren and hers. We will truly miss her. I admired how she never allowed cancer to define her. Even a week ago she had joined us for breakfast. Janice and David Lukowski
