My condolences to Gayle's family. I met Gayle just after High School through her good friend Tina- who was dating my brother. We immediately got along and hung out together a lot for a couple of years. We lost touch after we both married but saw each other occasionally at parties etc. I will always remember Gayle's sense of humor! We used to laugh so much. I will never forget our fun times. I am sorry for all that she had to go through and am glad that she is is at peace now.
