I am so saddened to learn of Mr. Hohbach's passing. I had the pleasure of working for AI very early in my career as a co-op from Broome Comm College in the 1960s at his Carrier Burgess Rd. engineering office. AI was a great manager and that was a great experience. I am so glad that I was able to connect with him a couple years ago. My deepest condolences to his family. God Bless.

I remember AI as a knowledgeable and conscientious individual. He was a great help to me when I started at Carrier Transicold in the early 1980's.
