I am so sorry for your loss. If my family had known we would have been at the services. Dominick was my father's best buddy. We have so many great memories of him and my dad. Sending love and prayers. Jill DeLuke-Puleo

Thank you for commenting Jill. Yes, Dad and Jr. were two of a kind. Not only do I cherish remembering the stories but I can still see them laughing as they each tried to grab the check after dinner, their hands waving frantically in the air to the point where it almost looked like a fist fight. They were so funny together. I loved your Dad!!

Our love is with you and your whole family. I cannot ever hear Frank Sinatra sing or even hear his name mentioned that Dominick doesn't come to mind. Judy
