Richard Knill Chapman VI

OCT 26, 2021 - MAY 19, 2022

Richard Knill Chapman VI came into this world on October 26, 2021. His family included his parents Ploysong (Chaichoochote) Chapman and Richard K Chapman V, older sister Chloe Chapman, and grandparents Pantip Chaichoochote, Peg Robinson, Richard K Chapman IV, and Paula Chapman. He had a robust extended family, including Candace and Jennifer Chapman Hanley (Portia, Trever, Cameron, Ezra), Alice and Chad Chapman Heffentrager (Azaria, Xavier, Asher), and Logan and Reese Chapman. His family savored every moment they possibly could. Richard, or Knill as he was called, was diagnosed with Rhizomelic Chondrodysplasia Punctata, a rare genetic disorder. He proved to be incredibly strong, and despite the limitations of his body, was able to experience the natural world, visit the many friends he made, and even travel. He had a sweet and gentle soul, touching those around him with his serene presence. He received such profound love and gave it in return. Knill will be held in the hearts of everyone whose lives he enriched.

Please join us for a celebration of Knill's life on Tuesday, May 24, 2022 from 4:00 – 6:00 pm at the THOMAS J. PIRRO JR. FUNERAL HOME, 3401 Vickery Rd. (corner of Buckley Rd.) North Syracuse, NY.

In lieu of flowers, donations can be made to Jowonio School 3049 E. Genesee St. Syracuse, NY 13224. This is a special place for us because their programs are inclusive for all young children where diversity is celebrated.

Knill was born to ideal parents, who provided him with endless care, support, and love and allowed him to experience nature, family, and fun. His thoughtful, intelligent gaze always told me he was...no, is...a knowing soul. He filled our lives with joy, peace, and inspiration in his too-short life. The emptiness he left will be filled with our everlasting love and memories. Thank you for being in our lives, Baby Knill.

We never got the chance to meet, K I'll, but I know how much your parents Love you. Your Mom and Dad and all the rest of the family worked hard to pack as much into your life as they could. I know they gave you a depth of experience many children much older do not have. Yours was a real and meaningful life however short.Dave and Shelly Mikolajczyk
