Judith had an extensive career at Christian Brothers Academy, starting out as a parent volunteer and later moving on to the development office, working as assistant to the director. She also was an avid fan of the Dallas Cowboys, watching games every season with both of her sons. In addition to her parents, she is predeceased by her husband, Jeffrey C. Stelljes in 2005, and her beloved dog, Hildy in 1993.

I was saddened to learn of the passing of Judy Stelljes. I had received a card/letter from her after Christmas telling me of her move to NC to be closer to her family. Jeff and Judy were great friends of my parents. I became friends with Eric and Devin because of the friendship of our parents. The annual Stelljes holiday party was always a highlight for me as we got older. It gave us a chance to catch up with everyone. I always enjoyed seeing Judy as she was always so cheerful. She will be missed! Rest in Peace.

I was so sad when I read about Judy's passing. She was a big help to us at St Rose & Bishop Grimes with several fund raisers that we held. Her support & kindness were & are very appreciated. As a result of these we became acquaintances & would say hi to one another at Mass or Wegmans. A truly great lady. I'm sorry that I'll be unable to make calling hours today, but, will try to be at her funeral Mass tomorrow. God Bless Judy and her family, may she Rest In Peace!!!Chuck Barry

My dear friend....I still can't believe that I cannot just pick up the phone and talk to you. It never mattered how many miles apart we were, we could always pick up the phone and pick up where we left off. Close friends are hard to come by and we were always grateful to have found each other. I will miss you always and I have great memories that cannot be taken away. Until we meet again. Love, RosTangorra

Eric and Devin, Buddy and I were so sad to hear of your mom's passing. She was a wonderful parent to talk with, a great colleague to work with, and simply a lovely friend. I will miss my note in the mail every March so she could continue to play in CBA's March Madness pool. It would contain copies of her entries, the cash to enter and always a lovely note catching us up on the Stelljes family! We will miss her greatly and think of her fondly during college basketball season.

I sat on many a bleacher with Judy watching baseball games. She was the sweetest neighbor, always caring, always pleasant. She drove my son David to school many times and when my husband Tony passed away, she was right there for me. I know she also spent many hours volunteering and living out the Gospel. Judy was a true example of a Christian.

The times we spent together over the years will always be so special to me. So glad we were able to see each other recently to reminisce. . Rest well, knowing full well that you were loved by so many.

I have the best CBA memories of your mom, Devin and Eric! She was a fun, funny, organized and smart co-worker. We shared a lot of great times together and I'm so grateful for that. I love this pic of her. Much love and support to you and the whole family.
