Hey Reen, Paul, and Michael I am so sorry to hear about mom. My brother told me minutes before the service so I just wanted to extend my sympathies. It is never easy losing someone, regardless of age, a loss is a loss, but I watched the video and it appears she lived a full life with a smile. Reen it would have been nice seeing you after all these years so I hope your doing well. I am sure you are. Take care, sending hugs. Michael Cusano
