To Helen's family, please accept my condolences, so unexpected--I have known Helen since elementary school (St. Rose) and from Bishop Grimes High School, and we reacquainted on Face Book a few years ago, just recently spoke about the BGHS reunion. She was so proud of her family, children and grandchildren were common topics. I will miss sharing jokes with her and the updates from the hometown. She always was the nicest person with a good sense of humor. Such a loss for us all.
