Michael H. Stanton

FEB 28, 1970 - NOV 27, 2022

Michael H Stanton, 52, of Cicero, passed away unexpectedly on November 27th, 2022. He was born in Syracuse to Thomas and Cynthia Stanton and raised in Camillus. He graduated from West Genesee in 1988 and received a BA in Communications from SUNY Oswego in 1992. Michael worked in the telecommunications industry for over 30 years as a successful sales leader earning many awards and achievements throughout his career. He was currently employed at Windstream Telecommunications.

"Concert Mike" enjoyed live music, attending over a hundred concerts around the country.

"Vacation Mike" loved trips to Nashville and Franklin, TN, Myrtle Beach, Key West, Lake Placid and the Adirondacks with family and friends. He liked to spend his free time researching stocks and the economy and was specifically interested in how crypto currency would play a role in the new economy. Above all, Michael enjoyed the life that he had made with the love of his life, Dawn. His two greatest accomplishments were his sons, Connor, and Jared. He was a proud father that shared his love of baseball with his family. The biggest reward for Michael was to watch his sons develop into the fine young men they have become today.

Michael was predeceased by his father, Thomas Stanton.

He is survived by his loving wife of 26 years, Dawn (Diaz) Stanton; his children, Connor, and Jared; his mother, Cynthia (Bergan) Stanton; his brothers, Douglas, Brian (Jennifer) and Jon (Jennifer) Stanton; his sister-in-law, Anne (Ray) Perry; his uncle, Joe David; along with several loving nieces and nephews. Michael will also be missed by his faithful pup, Scout.

Calling hours will be held from 4 – 7 pm on Friday, December 2, 2022, at the THOMAS J. PIRRO JR. FUNERAL HOME, 3401 Vickery Rd. (corner of Buckley Rd.) North Syracuse. A funeral mass in celebration of Michael's life will take place at 9:30 am on Saturday, December 3, 2022, in Sacred Heart Church, Cicero.

Eric Strickland posted:

Mike and I were high school acquaintances mostly as a result of our reliable seat assignments. Our "ST" last names meant that we became pretty familiar classroom faces Mike was always an easy person to crack a joke with, work together with on an assignment, or share a story about the day's drama & events. As is commonly the case, we lost contact after graduation, and I was very saddened to learn of his sudden passing. Thinking back on our times together in school, I remember him as being an exceptionally nice, kind, welcoming, and warm-hearted classmate. Frankly, I think it is rare and fortunate to have such a clear memory of what was ultimately a passing acquaintance from 30 years ago. I think that his impression on me speaks strongly about the person he was & I regret that we didn't stay in touch over the years. Reading his obituary made me happy that he touched so many people, and had so many fun experiences. With his passing, I sincerely hope for the best for his family & I am wishing for their mutual strength in the difficult days ahead. Sincerely, Mike's classmate, Eric Strickland.
