Tommy and Denise, My thoughts and prayers are with you both. Marge was a loving mother and grandmother who passionately cared for her family. We met when I was just 19 years old and we worked together for 18 years and formed an everlasting special friendship. She was like a second mother to me. Marge and I had a lot of fun times together and many long phone conversations. Our times together sitting at her kitchen table enjoying egg & olive salad sandwiches and a cold beer, talking and laughing are some of my most cherished memories. The memories of our monthly outings just sitting in the restaurant for hours talking and laughing like we were the only ones in there, always brings a smile to my face. I will never forget her words of wisdom and her good humor. I know she will be missed by all that knew and loved her. Marge, you will forever be in my heart. I love you, my friend! Rest in peace beautiful lady! Sandy Fuller

Tommy and Denise, I am so sorry to learn of your Mom's passing. We had many memories with your Dad and Marge during the early years with Tony - especially when they played as the Melody Kings and ran the Grant Restaurant. Life brought changes however, Joe and Marge were always a part of our special events like weddings. May you Mom be happy - she was always was - as she meets Joe in the heavens above.
