When we first moved to Buckhannon, I was invited to go swimming at Connie, Debbie and Peggy's house. I thought 'wow, they have a pool!' The 'pool' was the blue hole down the road in the river/creek. I had discovered life beyond an Air Force Base! I'll always have warm memories of my former sister-in-law and the way her family included me. She was loved.

I will always remember the good times working with you for so many years. We shared a lot of laughs and some tears. I will remember the trips we took to New York City and the laughter and adventure. I will miss you

I will remember countless walks you went on with Asia and I. I will remember cross country skiing and spending more time falling and laughing so hard we couldn't get back up. I won't forget the time I convinced you to go roller blading and when I looked back you weren't there. You had fallen. Never got you back on roller blades.

I will always laugh when I think about me trying out the hoverboard on your porch. We both laughed hard when I fell off. Connie there are so many more memories I will hold close in my heart. Thank you for being the best listener. You were such a kindhearted person. I feel blessed to be able to say you were and always will be my dearest friend. I love you. Tight hugs and kisses, Barbara
