Teresa A. Gelormini

APR 7, 1951 - JUL 24, 2023

Teresa A. Gelormini, 72, went to be with the Lord Jesus on July 24, 2023. She was born in Syracuse on April 7, 1951, to James and Concetta (DelVecchio) Gelormini. Teresa possessed an incredible sense of humor recognized by her high school classmates with the distinction of “Funniest Student” in her senior year. That humor and understanding of human frailties sustained her throughout her personal and professional life.

She was a life-long member of St. Brigid’s Church and subsequently St. Patrick’s as well an active member of the St. Brigid CYO. Teresa graduated from St. Brigid’s elementary school and St. Patrick’s high school. She earned her undergraduate degree from Villa Maria College in Erie, PA, and a master’s degree from Syracuse University.

She worked for 31 years as an educator at the Syracuse Developmental Center teaching and championing people with special needs. She was a very caring professional who often took her students home for the holidays to make them feel included, loved, and needed.

Teresa is survived by her brothers, James L. (Beverly) Gelormini and Michael A. Gelormini; niece, Danielle (Steven) Thompson and nephew, Dr. Nicholas Gelormini of Massachusetts; great nieces, Ava and Eliana Thompson and Lucienne Gelormini, and great nephew, Luca Thompson; along with many cousins.

The family wishes to thank all the aides who took excellent care of Teresa presently and in the past. Also, special thanks to cousins Maria, Martha and Mary Anne and friends, Judy, Cindy and Anne for their continual kindness and love.

Calling hours will take place on Friday, July 28, 2023, from 9:30 a.m. - 10:45 a.m. in St. Patrick’s & St. Brigid’s Church, 216 North Lowell Ave., Syracuse, NY, followed by a Mass of Christian burial at 11:00 a.m. Private burial will be in Assumption Cemetery.

It's not often especially these days where you can recall a friend of a friend from when you were just a young girl.....that's special...it takes a special soul to be able to make such an impact on your life.....no matter how much time passes....still can reunite as if no time had gone by....Teresa is one of those souls! I remember her whitty jokes and radiating personality that just always holds a place in your heart.....I have no doubt that her strength, courage and bright smile will illuminate her from this life onto the next.

Theresa was a strong , courageous and loving woman . She loved her family , friends and caregivers beyond measure . Thank you for allowing me to be a part of your life. I enjoyed the time we shared . Even though you were my "Boss Lady" (insider) you were also my friend. We spent many hours talking , you told me many stories of your travels and life events. We shared laughs and tears . My Muffin misses you dearly ! She loved you dearly! I find comfort in knowing that you are no longer suffering, run free Tree ! I love you always !

Our mothers were best friends and we naturally came together and formed an enduring friendship from childhood and on. I always admired Tree's outgoing personality and sense of fearlessness. She was smart, funny and loyal. Teresa was also very intelligent—both emotionally and intellectually. She devoted her professional life to serving those with cognitive and physical disabilities. Teresa adored her family and had a beautiful and special bond with her mother. God bless you, Tree.
