Hey family, I'm so sorry for the sudden loss of Linda. My heart is heavy for you all. I've come to understand that time helps us heal when our loved ones pass away but it's our great memories of them that really make a difference. I cherish all the family get togethers that include card games, Christmas parties, birthdays, etc. I even remember the day when we were leaving your Bridgeport home one night and saw a tiny little turtle that was in the road. I made Daddy stop the car and we brought that little guy home. Later we found out that it was a snapping turtle. Linda will be missed dearly. She had a great spirit and was always kind and crazy like a true Corbin! Love u guys, Cindi Corbin

I am so sad to see this. My sincere condolences to all Linda's family. I ran into Linda last year and we spoke after that over the telephone. We go back as far as grammar school at Nichols and our Eastwood neighborhood. Linda will always be in my thoughts and prayers. Rest In Peace Linda.
