I'm so sorry to hear this news, she was the sweetest woman to talk too. I can still see her face from the last time I had talked to her. She would do anything for anybody. She had a kind heart and a loving soul. I am totally depressed about losing her. I will always remember her . God Bless her family and friends that are in mourning. She will not be forgotten ever.Miss you my dear friend.

Aunt Landa - I first discovered how much I enjoyed writing poems (like you) when I wrote a poem about my mother (Anna DeLuca Matrone) when she died in 1978. I guess I inherited that gift from you. When we talked about my "loud whistle", you told me Grampa Matrone would whistle (very loudly) for you kids when he wanted you home. Either the apple doesn't fall far from the tree or history has a way of repeating itself. Thank you for the memories and Rest in Peace....Anita...
