Beulah A. (Reynolds) Thomas

APR 27, 1934 - JAN 6, 2024

Beulah Ann Thomas, 89, of Liverpool, passed away peacefully on January 6, 2024 at Loretto Nursing Home. She was born in Parish, NY, the daughter of the late Howard and Jennie (Terrill) Reynolds.

A kind woman, who lived a humble life in upstate NY, Beulah poured her heart into everything she did. She had a passion for working with children as a foster grandparent for the local school district, and as a volunteer at various retirement homes for those with Alzheimer's until her retirement. Beulah would always provide a helping hand, and a warm smile to those she cared for. Throughout her life, Bea never struggled to make friends.

Beulah was always a devoted and faithful friend. A social butterfly at heart, she was someone who you could instantly become good friends with after knowing her for just a few minutes. As a mother she doted on and cared for her only son, John. As he grew older, John would marry Bea's now daughter-in-law, Sandra, and welcome two grandchildren who she showered with both love and affection; always referring to them as her blessed angels.

There was never a week that went by where she didn't spend time with her family. The memories created through the time spent with Beulah are forever cherished.

Beulah is survived by her son, John (Sandra) Thomas; two grandchildren, Allysa Thomas, and John Thomas II.

Thank you to all of her friends at Byrne Manor for always being there...

"Jesus said to her, 'I am the resurrection and the life. Those who believe in me, even though they die, will live, and everyone who lives and believes in me will never die.'"

John 11:25-26

Countless hours we shared through the years. Family dinners, special occasions, working together, and even overnights. Times with tears of laughter and sadness. Times with tense discussions. I cherish those times. I am grateful for the best Great Aunt Monet and Katie could hope for. Her ability to recite poetry and lyrics was amazing and so entertaining not to mentioned made me feel a little less intelligent. Aunt Bea was an exceptional one of a kind lady and I loved her. When you share such time and love you've shared the best life has to offer. To the Thomas Family, please know you have my heartfelt sympathy.
