Cathy Lanning lit a candle in honor of Diane.

Diane worked with me at Hallmark and we became good friends. She and Bob were the most delightful couple. She was always fun and full of life. We went to the Brenda Lee Concert together and we got to visit Brenda in the VIP room together. I will never forget her and the spice she put in everyones lives she came in contact with. My condolences to her daughter and grandchildren whom she loved and talked about so much. I wish i would have found out about her passing sooner.Cathy Lanning
