I was so surprised when I saw Patty was killed in a car accident. Patty and I connected on facebook awhile back and found out we were cousins, as her dad and my dad were cousins, and they had spent time together when my dad and mom were first married. I am so sorry to hear of her passing, and send my condolences to all of Patty's family. Pat Koegel Robinson

To all of the family of Patty...I am so very sorry to see this. I have missed being in touch with her thru Facebook. She would always be such a bright spot in my life. Always saying how much she loved my family. Growing up in Bridgeport was the best. I was just thinking about her wondering how she was doing and then read about her accident. I know she is with her parents right now...oh how she loved her Mom. I pray her remaining family have peace and know you all are being thought of. Many great memories of the Koegel family. Love you Patty...Mary Mesmer Giblin
