Joe Joe, you were a hard worker, good friend, and just a great person, I'll always remember when I called you " Mr. dodge". You said " I wasn't your teacher was I? And I'm not a teacher anymore. You can just call me Joe". Well Mr. Joe, you might not have been a teacher anymore but you still taught me and others a lot at Home Depot, you will be greatly missed my friend.

Joe, was an awesome co-worker and friend at The Home Depot. Almost seven years ago he helped coach me in my first role as an OFA, and as I progressed upwards you were always there when the Front End needed your invaluable assistance. My thoughts and condolences to your family, and you will be sorely missed. I raise a Mountain Dew in your honor. Rest in Peace. 😞

I am so sorry to hear of Joe's passing. Joe retired the same year as me from Central Square and was an educator who challenged his students, He taught both of my girls and instilled in them the need to use critical thinking in following current events and in forming your own opinions. My sincere condolences to Patty, Sara and family.

Joe, My co-worker, my friend. Your name came up just the other day. When you retired you reached out because I wasn't able to make it to your retirement party. You reminisced about all of the great people you worked with and how you would take those friendships with you after your time at the middle school ended. I saved that email but didn't need to because I still remember your kind words. Thank you, Joe. My condolences to your family, who you always talked about with such love. Michelle Giamartino

So very sorry to hear this news. Coach Dodge was one of my all time favorites. He was my 6th grade teacher at A.A. Cole ('88) and football coach ('92 - '93). He always had a very calming voice throughout the utter chaos of 6th grade and athletics. He was also a strong influence in my decision to be a teacher and coach myself. I also looked forward to bumping into him at Home Depot. He will be missed by the many students and athletes who learned from him.
