Pat was a fun loving woman. Always enjoying life to the fullest! My favorite fun memory was of Pat showing me how she could outdo anyone at a shot drink called the "blow job". I will always remember as I laughed so hard tears poured down my cheeks. Rest in piece my friend. You will be greatly missed. ❤️❤️❤️

We just got our Christmas card returned and followed up to find that Pat had passed. Pat and Dean were friends from the old days when Dean worked at General Motors. So many parties and so much fun. We moved to Florida years ago but always sent cards. No one can take those memories away. Deana we remember you well. Your mom loved you and the grandkids to the moon and back. Our sincerest and deepest sympathy. Bob and Virgy

I will always remember all the times we shared together. Laughing until we cried over the silliest things. And then serious chats about our lives and friendship. You will always be with me Pat, give Dean a hug for me! All my love, Linda H.

Pat was the best of the best in Liverpool! She had such a keen sense of people and was gifted when it came to problem solving and helping to figure out young teens! I will be ever grateful for her friendship and all she taught me! Deanna and family, her love for your dad and all of your beautiful family was keenly apparent! The world lost a living angel, but heaven has gained such a special one! Laugh deeply, Pat, and dance freely! With love and respect, Jane and Bill
