Pamela P. Quinn

JUN 15, 1954 - SEP 14, 2024

Pamela P. Quinn, 70, of Liverpool, passed away peacefully on Saturday, September 14, 2024, at Upstate University Hospital. Born in Syracuse to James and Carol (Licourt) Partigianoni, Pamela grew up in Cortland, NY, and moved to Binghamton in 1978.

Pamela dedicated her career to dental hygiene education, significantly contributing to programs at Broome Community College (BCC), Onondaga Community College (OCC), SUNY Canton, and Mohawk Valley Community College (MVCC). Her influence on her students and the field of dental hygiene was profound.

In 2018, Pamela relocated to Syracuse and became an active member of Pope John XXIII Church in Liverpool. She was deeply involved in community service, volunteering at the Francis House and participating in various mission trips.

Pamela was predeceased by her husband, J. William Quinn, in 2017, and her father, James Partigianoni.

She is survived by her mother, Carol Partigianoni; children, Jennifer (Joseph) DeMarco, Ashley (Gennaro) D'Agostino, and Michael (Danielle) Quinn; her grandchildren, Joey, Ralph, Willow, Lucy, Vincenzo, Annabelle, and Dante; her sisters, Kathy (Steve) Oliver, Jamie (Jim) Brown, Colleen Partigianoni, and Kelly (Tim) McGraw; as well as several brothers and sisters in law, nieces, nephews, friends; and her canine companion, Hunter.

Pamela's greatest joy came from her family. She was known for her incredible hospitality and love of baking, seeking every opportunity to bless others. Her zest for life extended to her passion for travel, and she looked forward to exploring as she settled into retirement.

Visitation will take place on Saturday, September 21, 2024, from 8:30 to 10:00 A.M. at Pope John XXIII Church, 8290 Soule Rd., Liverpool, followed by a funeral mass celebrating Pamela's life at 10:30 A.M.

My wife and I live in Pamela's neighborhood. We met while walking our dogs and got to know her like so many of our neighbors--through our love of animals. While we had no idea of each others backgrounds we chatted almost daily about pets and neighborhood stuff and life. She was such a kind and caring person. We recently saw her wearing a knee brace due to a leg injury and I remember thinking, this woman is a trooper, still walking her dog and going to PT. We will miss her kindness. We were both shocked and saddened by her sudden passing and hope her family finds at least some comfort in knowing she was beloved by friends and strangers alike, not to mention the many many people who received quality care through her dental work. Rest in Peace Pam. We think of you and Hunter fondly every time we pass by your home.

My thoughts and prayers go out to the Quinn family. I was a dental hygiene student of Pam's from 2015-2017. To say she was an integral part of the Dental Hygiene community was an understatement. Her dedication was unmatched. Pam was also a good friend to me. I was diagnosed with a brain tumor before I entered the hygiene program and we bonded over it as her husband had the malignant version of what I had. She came to see me after I had brain surgery and continued to check on me periodically. We occasionally got together for lunch or dinner to catch up. I spoke with her just a short couple weeks ago as I was telling her of my upcoming trip to Ireland. She made sure to tell me to call her when I got back so she could hear of my trip. How devastated I was to receive the news of her passing. She will forever have a special place in my heart and I hope the wonderful memories you have of her will comfort you during difficult times. God bless you all.

Pamela was one of the first program coordinators I worked with when I began working in assessment at SUNY Canton. She was very kind, patient, and understanding. Those early experiences helped me decide to stay in what can sometimes be a very difficult field. Thank you, Pam, for that great early experience in my career. You will be missed.

Only met her twice what a lovely lady she was . My sister in law moved next door to her after my brother passed away, I was so happy that she did because Pam took her under her wing. My sister in law (Marion) really needed someone like her at the time.
