To Flory's family, First of all, we are so sorry for your loss. We have many memories of delivering wedding cakes with either my Dad Tony or mother Pauline to Castaways back in the day! He was always wearing that smile and so nice to chat. I recall that he "hosted" my parents for a weekend at his Thousand Island resort, knowing that it was difficult for them to get away for more than an overnight! May he be greeted by the hosts of family and friends that went before him. Rest in peace. Sincerely from the entire Fallico Family
