My condolences to Barb's family and those that were blessed to know her! She was my older cousin - and whom I was named after! We spent many hours chatting on the phone over the years - and she was always so full of praise and love for me. She always told me: "You are my treasure and I love you so much!" She and her late sister (Donna Spring) were two of my mother's favorite people in the world! They were all so close growing up and over the years, and we loved having them visit us often in Florida, where Barbara and John vacationed each year. Barbara always told me "Florida - is where the people are as warm as the sunshine". I was one lucky woman to have been chosen as one of her "treasures" and have had her in my life! She was a ray of sunshine and bright light of love and laughter, and will be missed greatly. Heaven just got another beautiful angel! Barbara Bailey and Family

Our condolences to Barbara's family and friends. My husband and I were fortunate to be able to care for John and Barbara's rescued racehorse, Neptune. Neptune was a sweetheart, and John and Barbara became cherished friends. We were blessed to have all three of them in our lives. We have missed John for many years and now we will miss Barbara, too.
