Sending my love, prayers, and deepest sympathy to Mary's family. I am truly heartbroken over the passing of dear Mary. She was our first friend when my husband and I moved to Syracuse, always willing to lend a hand or share a tool when we needed it. As the years passed, her loyalty and kindness remained constant blessings in our lives. Mary and I often walked together at Onondaga Lake Park, where her company and gift for listening brought such comfort and joy. Her faith and devotion were beautiful to witness. She attended Mass at St. Rose daily. She missed her mother and father so much. May it bring solace to know that she is now reunited with them in the peace and comfort of the angels. Rest in peace, dear Mary. I will miss you always and hold you in my heart and prayers forever.Love, Kathy Joyce, Liverpool NY

Mary used to take long walks at Onondaga Lake Park in Liverpool. During her walks there or wherever, she was always on the lookout for heart shaped stones. She had a collection of these and gifted me a small black smooth heart. It's a treasure. Dear Rita, may God give you comfort and strength through this situation. Mary is done with her journey and is at peace. I hope that knowledge gives you acceptance. There is a lot of work ahead but I pray for divine favor as you go through this process. You are a blessing to those who know you. I'm praying for your family as they walk through this sad time. I love you Rita.
