Dr. Newman (PJ) done many surgeries on me. He always was so kind, respectful & kind-hearted to me. Bedside manners were the utmost professional and he cared about his patients. PJ loved when I came to the office, encouraging me to keep Frank in line! A gentle, genuine & respectful doctor gone to soon. Rest in peace Dr. Newman, your kindness will never be forgotten. My deepest condolences to your family.

I am saddened by Dr. Newman's passing. He was my surgeon, my husband, two sons and brother-in-law surgeon. I sent a few employees to him also. He was so caring and kind. My prayers are with his family.

Dr. Newman is one of the best doctors I have dealt with in my life. He repaired significant rotator cuff injuries in both of my shoulders and got me back to normal. As others have said he cared deeply about his patients and helped them feel comfortable during recovery and follow up visits. He has helped many and is gone too soon. I send my condolences to his family and SOS colleagues. Kenneth J. Tiss
