I met Fran when I started working at NPG. She invited me to eat lunch with her and we shared lunch daily until her retirement. She also graciously threw me a wonderful baby shower at her home. (Frank cooked up a delicious meal for us!) I enjoyed meeting her family over the years, and hearing about her fun times with her group of lifelong girlfriends. I would also look forward to her returning from her Vegas trips, as she always brought us a can of Mrs. See's candies to share at work. Thanks for the memories Fran. Sending deepest condolences to your family.

Cheryl, I remember your mom well during our hs days. Whenever you came home I enjoyed the stories you shared of her loving life such as having lunch with her girlfriends after so many years of friendship. My heart and prayers are with all of you. You surely have lost a gem of a mom.

I met Fran years ago when my sister Marty Maslana lived across the street from Fran's sister-in-law Theresa Geremski and her husband Dick, who was Frank's brother. Marty and Theresa were best friends, constantly having coffee together, and Fran visited them often. I recall many lunches with Fran, especially after Marty and her family moved near San Francisco. When my sister would fly back to visit us, we'd always visit with Fran and Theresa. I admired her style, her confidence and humor and am very sad to hear of her loss. She was definitely one of the good ones!

I worked with Francis at New Process Gear, in East Syracuse New York for many years. She has a glowing personality and knew how to "light up" a room. May Fran forever rest in Perpetual Peace with the Good Lord.

Cathleen has said it all for me. She was an absolutely great gal and some of the funniest moments of my life were spent laughing over something she said. I'm very sorry for your loss. Marty Maslana

Cheryl, Michelle & Frank, I am so sorry to hear about your moms passing. Having grown up in the same neighborhood, I was a constant fixture at your house. Your mom was a wonderful, caring lady and I won't ever forget her kindness toward me (your dad too). I had the opportunity to see her again when I came home for my HS reunion and she hadn't changed at all...still happy and smiling. May she now Rest in Peace with the angels.
