To Dolly and family, Please accept my deepest condolences for the passing of Peter, a top-notch guy. As you may recall, we were classmates at CBA in the class of 1954. I was in the high school band when Peter was displaying his outstanding athletic skills on the football field. I believe he never missed a kick in all the time he played. He was also an exceptional student, and went on to a great career in the field of chemistry. I'm so glad I had one last chance to see him at our 60th reunion at Bob Congel's lodge. Being a graduate of CBA and a Brother's Boy meant the world to all of us, and we all took great pride in being a member of the Class of 1954.

Peter was a good man. Not a big talker but full of wisdom. We often saw him running in towns far from home, like Chittenano or Kirkville. We would ask if he needed anything and responded with his raspy voice "no." Not much of a talker! I enjoyed talking about running with him, and taking walks in Erie village, where his girl friends always offered a pleasant smile and hello. However, he married Dolly, the best.
