Joe- I'm so sad for you, and for all of us really, as we have to unjustly navigate this world without Gina. She was such a good friend to all of us, and her generous and loving heart left me a better person. I will never walk into the tack room, see a silly thing on the internet, step foot onto the beaches of Cape May, or see a cute dog without thinking of her. She was the best of us. Sending you love and light.
