Anne Marie, Kitty, Joanne and families I have so many fond memories of your Mom (and Dad) from being at your house when we were in high school. She was so nice and sweet (and tough when she needed to be) and was a mom to everyone when we were there. I loved being in Lyncourt and your house was a huge part of that. I am glad you can celebrate the long life she lived, and all the special memories you all share. I am glad I get to see you Kitty every once in a while! Would've loved to see you all at the service but I couldn't because I am not feeling 100%. Please know that our family sends our condolences to you all and that your Mom holds a special place in my heart!

Dear Ann Marie and Kitty, I was very sad to read about the passing of your mother. It doesn't matter how old they are, they are still our mothers and now we are the older generation! I remember her and your dad from Brooklawn golf course. I believe your father had at least seven holes in one at that course! Now they are reunited, and I am sure that God is welcoming her into his kingdom with open arms.
