Henry E. Brown

NOV 14, 1946 - NOV 30, 2025

“Downtown” Henry E. Brown, 79, of Baldwinsville, passed away peacefully on Sunday, November 30, 2025, at Van Duyn Center for Rehabilitation and Nursing. He was born in Philadelphia, PA to the late Robert and Dorothy (Matthews) Brown and graduated from Central Technical High School in Syracuse. He went on to serve in the United States Navy for 4 years. He joined the Syracuse Police Department in 1973 and retired in 1995. Henry spent over half of his law enforcement career in the drug unit and was involved in detective work in various bureaus which he was very proud of. He was a gaming inspector at the Turning Stone Casino for 4 years. Following his time at the casino, Henry was a senior investigator for the Onondaga County District Attorney’s Office, retiring after 21 years of dedicated service. Among Henry’s many achievements, he received the Herald Medal in 1979 for his investigation involving extortion and alleged gang violence. He lived life in his own way, making a difference in the lives of many through his police work and off-duty relationships; he always offered to help others with their problems and often stayed involved in their lives for years to follow. Henry would often mentor and speak at local schools to encourage teenagers to stay on track and not enter a life of crime. He would generously buy tickets to Disney on Ice or other events for kids that may not have had a chance to attend on their own. Henry had a love for travel and enjoyed going on many camping trips over the years including two cross-country in his motor home with family and friends. Henry had a love for cars and was a Mopar enthusiast. He loved to cruise in his Redeye Hellcat any chance he could and was also a member of the CNY Mopar Muscle car club.

In addition to his parents, he is predeceased by his children, James and Crystal Brown and his sister, Martha Wilkerson.

We are overwhelmed with the loss of our dear friend, our Brother in every way that mattered, Henry. We loved him deeply. When we first met Henry in Harrisburg, Pennsylvania, we had no idea that he would introduce us to the world of RVing or that this chance meeting would lead to a journey and a friendship that would last nearly 20 years. We will always remember Henry's smile and his big generous heart. He welcomed us into the world of motor homing, and it was because of Henry that we bought our first motorhome. Over the years, the love we shared made us more than friends, he and Linda became family! We will cherish the phone calls, the laughter, and the way he teased us endlessly about living "downstate in the "city," even though we don't. We live on Long Island. He even tried to convince us to move to Syracuse. That was Henry, always joking, always encouraging, and always making us feel loved. We will forever hold close the memories, the miles traveled, the conversations, and the years we were blessed to share with him. Rest in Peace Our Brother! Love, Cheryl & Jimmy Durant ❤️ RVers Forever

Linda, we are so sorry for your loss. I especially will miss having Henry check up with me to see how I am doing. Henry and I had a great repoire and he was always willing to help me. I will miss his banter of how "sorry he was to Dennis for having to put up with me!" He had his humor and great stories to tell. I'm so glad to have shared a great afternoon with him and you recently. He's riding that car above... so everyone watch out! Carol Sacco and Dennis Schapley

Henry was a kind, loving person and loved by all . Our friendship started 25 years ago while camping. Someone gave Henry pair of sneakers that were left on campsite. They were dirty and Henry took them home and bleached them cleaned them all up. The next time he seen us he handed us the clean sneakers . I told him that they weren't ours. They were on the campsite when we arrived. We all had a good laugh over that !From then on we were best of friends !Henry was always helping anyone he could . He will be missed and loved by many ! ❤️From his Canadian friends ! Angela and Bryan Scurr !

Mr brown was honestly truly a GEM. He worked as a security guard at this gas station that wasn't in a safe area. Not only did he protect any mothers or women that walked into the store. He especially protected me. I went to him with all of my problems, and with no judgement, we'll talk, then laugh through my pain. He made sure he dropped me off at home once our shift was over. He didn't drive away until he seen me close my door behind myself. I have stories for days, but one thing I will say is Ms Linda is honestly blessed to have had someone like him by her side. My condolences to his entire family. Especially those that he made smile with his witty sense of humor. I love you Mr brown. This isn't goodnight, I'll talk to you every night. Because I know you're listening in spirit 💙

Henry was always ready with a joke or funny story to get a laugh. In the drug unit he always kept things light and humorous to downplay the stress of the job. Linda I hope you and your family know Henry is in a better place now and that he'll be missed by former coworkers and friends. RIP Henry and God Speed.
