From the very first time Aunt Kimmy started waching me, Jo-Ann and Joe took me into there family like I was one of there own grandchildren. I am so happy I got to become apart of such a loving and caring family. My thoughts go out to the Sgroi family today as we lay grandma to rest. She will be looking down on us and watching over all of us. When we look into the sky we will be able to see grandmas beautiful smile shinning down on us. I am so thankful that I got to spend time with grandma while she was here in Syracuse and she was able to meet my son. She has touched many lives and will always be in my thoughts and my heart Always remembered and never forgotten Katrina and Liam

I will always treasure the memories that I have have of Jo-Ann and the Sgroi family. The friendship between our families has created indelible memories that I will cherish for the rest of my life....The card games they played together, Jo-Ann teaching my mom how to make spaghetti for Sunday dinner, me weeding her fathers garden in Lakeport, babysiting Joey and Johnny, tropical fish, a stamp collection that I still to this day have and look at and smile, ... countless phone calls from us kids when mom was next door.... I still remember that number...633-2790... Jo-Ann was a true friend to my mother as Joe was to my father, they were part of my family... Thank you Jo-Ann and Joe for some of the best memories of my life and being there for my parents, God bless you and your family.Scott Cramer

I know Cousin Jo-Ann was already an angel while she was still here on earth.Way back when, Cousin Jo-Ann patiently taught me how to drive & then I stood up in her wedding. Whenever I think of Jo-Ann, I see her sweet smile & hear her wonderful laughter.I honestly don't know anyone else other than Jo-Ann & Joe, who seemed to be able to sense when people needed help and this couple followed through to actually help those in need.Today, a lot of people say they care, but Jo-Ann & Joe showed they cared. This was just an ordinary part of their everyday lives. I guess you could say they had a "Home Ministry". Anyone who lost their way or was seeking help somehow gravitated to this wonderfully caring couple and found "home".Jo-Ann truly loved her Lord with her whole heart & soul. There is no doubt that Jo-Ann is still an angel but is in heaven now still watching over her loved ones.Cousin Gloria & Paul Hoover
