Our condolences to the Trait family. Mary Lynn and her sisters were our sitters on Holmes Street. We watched them all grow up to adults. I had heard that Mary Lynn was ill and we are sorry she lost the fight. She is now resting with God and looking down and still guiding you all. All the good memories will help you through your grief. Love and God Bless, The VanDruffs and Kos.

We are deeply saddened by the loss of such a vibrant, fun-loving member of the Guida and Trait families. MaryLynn will forever hold a special place in our hearts and we will be forever grateful to her for taking such wonderful care of Kenna and Dante when they were toddlers. Kenna learned to sing Italian love songs and developed a hankering for mortadella during that special time with 'Lynn. She was an amazing mother and caregiver - a truly beautiful soul. Her infectious laugh, deep spirituality, and caring nature will be missed. Love and hugs to all of you during this difficult time. Dorry Larry and Kenna Kelley

To MaryLynn's family, I am so sorry for your loss! I met MaryLynn in the waiting room at Dr. Coyle's office while bringing my significant other, Jason, for his treatments, and we soon discovered they were both battling the same horrible disease. We ran into her often and swapped treatment stories; she always had a beautiful smile and upbeat attitude. Jason lost his fight last November so I lost touch how she was doing. My deepest sympathy to all.Joan S

So sadden to hear of your beloved MaryLynn. MaryLynn and I were friends in middle/high school. When I think about my teenage years, she was a person that I liked very much. She was always kind, sweet and friendly.....having such a warm smile. Your video was just beautiful! I'm so glad she had a beautiful family that fulfilled her life with happiness - and that she was able to raise her children and pass her sweet nature on to all she loved the most. God Bless you all.
