She was very fond of all her friends at the senior center. I'm glad I had the opportunity to meet some of them at the funeral before I had to leave. You all meant the world to her and I enjoyed all the stories she shared with me about them.

She definitely was one of a kind. She will be missed greatly. She was a great woman and I was lucky to have her in my life as long as I did. Thank you for your kind words Cindy.

Some people make the world a bit better just for being in it, Jane was one of these people. She will be missed by all who knew her. She is now in heaven dancing with Fred and Gean, and visiting all her friends and family who have gone before her. I know she and my mother are having a gab fest, looking down on us, smiling, knowing that she was loved!
